Application Information

Transformational Leadership Creating the Future

The changing global environment has had a dynamic impact on organisations and individuals. Leaders have enormous responsibility to envision the future for their "tribes", manage uncertainty and pilot the way through these changing times.

This program will provide leaders with cutting edge knowledge and skills to further develop leadership excellence to successfully achieve individual and organizational outcomes.

Benefits for Leaders:

As a participant you will:

- Gain insight into the brain and empowered thinking
- Scope your current organizational environment
- Optimize your current organisational position
- Strategically plan for the future
- Navigate uncertainty and changing times
- Grow your tribe to meet emerging needs
- Integrate leadership praxis and excellence in to your workplace
- Receive individual coaching for excellence

Conceptual Framework

- Quantum Physics and New Science
- The brain as a change mechanism
- Language and semantics
- Dialogue for change
- Values as drivers
- People, position and power
- Visioning to create the future
- Transformation in changing times
- Praxis – applying learning in the workplace

INVESTMENT COST

The investment for this unique and ground breaking program is only \$5,750.00 (inc GST)
A deposit of \$1,000 is to be paid into PayPal account
